

Workshop on Next Generation Sequencing

28th and 29th May 2010

**Institut für Medizinische Biometrie und
Statistik, Universität zu Lübeck,
Universitätsklinikum Schleswig-Holstein,
Campus Lübeck, Germany**

www.imbs-luebeck.de/imbs/de/node/171

Audience

The workshop is open for all scientists who are interested in learning and expanding their knowledge on Next Generation Sequencing.

Topics

There will be presentations from leading experts on the following topics:

1. Basics: Technology and Biology
2. Data: Preprocessing and quality control
3. Data: Statistical analyses
4. Applications

Social Programme

On Friday afternoon there will be a guided tour through the beautiful Hanseatic City of Lübeck. Afterwards, we will meet for dinner at the traditional restaurant "Kartoffelkeller".

Location

Innovations Zentrum Lübeck
Breite Straße 6-8
23552 Lübeck
www.iz-luebeck.de

Registration

Since the number of participants is limited, registration is open until 12th April 2010. If there are more registrations than places we will draw the places by lot. You will get an answer until 16th April 2010. Please register by sending an e-Mail to Carmen Dering at carmen.dering@imbs.uni-luebeck.de.

Fees

There is no registration fee for the workshop. Participation in the social programme will be charged separately.
